Projects

Tabs | Developer | April - May | github.com/almm-capstone/billsplitter

A bill-splitting app where a user can take a picture of a receipt to easily split the tab and claim their items

- Developed using React Native, Redux, Firebase, Google Vision AI
- Used a custom algorithm to parse the data returned from the API

Spazzy Pigeon | Sole Developer | April - May | www.lesleys.website/SpazzyPigeon

A single-player game in which you play as a pigeon to collect gems and gain points, all while avoiding stars

- Developed using the Phaser engine and JavaScript, use of logic to create obstacles and environments
- Won the most votes in Stackathon presentation

Grace Shopping Bags | Developer | April | github.com/graceshoppingbags/sellinbags

A mock e-commerce website allowing shoppers to buy bags that are customizable by material and color

- Developed using Node/Express, PostgreSQL, React, Redux, Material UI

Experience

Shift Supervisor, Caribou Coffee

2014-2016

- Ensured inventory and budget were within normal limits every week, kept track of weekly expenses
- Led team of eight to meet and exceed sales goals by engaging and educating customers about our products and promotions, consistently at top of district for sales
- Interviewed and hired new candidates while also managing and training new employees

Elementary Literacy Tutor, Minnesota Reading Corps

2013-2014

- Taught 50+ students below grade level in reading and assured they met or exceeded their literacy goals so they could graduate from tutoring services
- Gained knowledge of new database software and was sole member in charge of updating and maintaining it. Trained other teachers in how to view and use the software.
- Coordinated and completed benchmark testing of over 400 students multiple times a year

Student Caterer, University of Minnesota Dining Services

2011-2013

- Maintained and monitored events in fast paced environment while ensuring event contact satisfaction

Education

Grace Hopper Program at Fullstack Academy - Chicago

- Immersive software development program with emphasis on full-stack JavaScript
February 2019 - May 2019

University of Minnesota - Twin Cities

- Bachelor of Arts, Speech-Language-Hearing Sciences, Graduated 2013
- College of Continuing Education Studies, 2014-2015
